Monterey YMCA- They have contacted us to try and schedule some extra games for an all girl team and all boy team. The board agrees that if we advertise it on a day after the U17 game and have the players show up if they are interested. The board agrees to this if the YMCA will pay for the referees and will abide by the leagues zero tolerance policy.

Referees- We have had a shortage and last weekend there were a couple that cancelled. We then reached out to several and had extra refs. We will be adding the extra cost for last weekend.

The board discussed adding a linesman at U10 to help coach/ref the players to learn offsides rule to be prepared the players for U12.

We will create a schedule to assign refs to certain games.
